

CURRICULUM VITAE

Robert J. Braun, B.A., D.D.S., M.P.H.

EDUCATION

University of California, Los Angeles, CA

- Masters Degree in Public Health, Health Service Administration/
Educational Administration

Marquette University, Milwaukee, WI

Course work completed MS Education

Fellow Pathology Medical College of Wisconsin

- Certificate in postgraduate course in Nitrous Oxide Sedation
- Doctor of Dental Surgery Degree

Armed Forces Institute of Pathology Clinical Fellow

Johns Hopkins Hospital, Baltimore, Maryland

Fellow, Clinical Genetics

St. Olaf College, Northfield, MN

- Bachelor of Arts Degree, Chemistry and Psychology

EMPLOYMENT

Temple University, School of Dentistry, Philadelphia, PA

- Professor Oral Medicine, Radiology, Surgery
- Professor, Graduate Faculty
- Associate Dean
 - Advanced Education
 - Research
 - Continuing Education
- Chair Oral Medicine
- Acting Chair Periodontics
- Acting Chair Community Dentistry

University of Wisconsin Medical School Visiting Professor Surgery

Medical Center of Delaware

Consultant to the General Practice and OMFS residency programs

University of Pennsylvania

Visiting Professor – Oral Medicine

Southern Illinois University, School of Dental Medicine, Alton, IL

- Director-Advanced/Graduate Education
 - Developed and implemented 2 year Advanced Education in General Dentistry (AEGD) Program
- Associate Dean
- Professor, Acting Chair, Diagnostic Specialties
- Director, Advanced Education in General Dentistry
- Professor, Graduate School Faculty

American Dental Association, Chicago, IL

- Assistant Secretary, Commission on Dental Accreditation, Council on Dental Education
Managed all Dental Accreditation approx. 200 programs including technology

Lakeland College, Sheboygan, WI

- Associate Professor

University of California, Los Angeles, CA

- Visiting Associate Professor, Oral Diagnosis, Oral Medicine, Oral Pathology

University Autonomous, Baja, CA

- Guest Lecturer in Emergency Medicine and Oral Pathology

Marquette University Dental School, Milwaukee, WI

Responsibilities included various roles in the schools of Nursing and Dental Hygiene Including the Milwaukee Area Technical College

- Associate Professor - Clinical Oral Pathology
- Chair, Clinical Oral Pathology and Diagnosis
- Director, Emergency Medical Services
- Head, Division of Oral Diagnosis
- Director, Infectious Disease Clinic
- Director, Hypertension Screening Education Program
 - Developed program and organized same
- Assistant Professor of Clinical Oral Pathology and Diagnosis
- Clinical Instructor in Operative Dentistry

Private Practice, Oral Medicine, Implant Surgery, Philadelphia, PA

Private Practice, Dr. Robert Braun, Alton, IL, Oral Medicine

Private Practice, Dr. Robert Braun, Wauwatosa, WI

Practice with Dr. Robert G. Saur, Milwaukee, WI

Practice with Drs. Kassner, Busby, Fridl and Austermann, Milwaukee, WI

Practice with Dr. David T. Beverly, Marshfield, WI

HONORS

- Scholar - Health Policy Research, Robert Wood Johnson Foundation
- Omicron Kappa Upsilon National Dental Honor Society
 - Leeper Awards Committeeperson National
 - President - Temple University- Kappa Kappa Chapter
 - President - SIU - Nu Xi Chapter
 - Vice President - Marquette University-Xi Chapter
 - Secretary-Treasurer-XI Chapter
- Honorary Member - Sigma Phi Alpha
National Dental Hygiene Honor Society
- Stomatognathic Society of Philadelphia
(Elected membership by nomination)
- Milwaukee Odontological Academy
(Elected membership by invitation)
- Midwest Seminar of Oral Medicine
(Membership by invitation only)
- Distinguished Service Award
 - City of Brookfield, Outstanding Young Man

TEACHING ACTIVITY

Temple University

- Faculty Preceptor at Hatian Health Foundation clinic Jeremie Hati
- Lecture on mucosal lesions, cardiovascular, pulmonary and bleeding disorders in second, third and fourth year oral medicine didactic courses
- Provide seminars on oral medicine to AEGD students
- Seminar coordinator, internal medicine AEGD
- Participate in treatment planning seminars for AEGD students
- Clinical teaching in oral medicine/treatment planning clinic
- Lecturer Public Health

Medical Center of Delaware

- Provide courses in Physical Evaluation, Oral Medicine and Emergency Medicine to General Dental and Oral and Maxillofacial-Surgery Residents

University of Pennsylvania

Adjunct lecturer in Oral Medicine

Southern Illinois University

- Orientation to Dental School, Co-Course Director
- Advanced Education in General Dentistry - Graduate Seminar and Clinical Series
- Course Director
- Pharmacology - Therapeutics Course
 - Clinical use of drugs in emergency medicine
- Emergency Medicine
- Oral Medicine/Radiology

University of California, Los Angeles Lecture

- Physical Evaluation
- Emergency Medicine
- Oral Diagnosis
- Attending Dentist Oral Diagnosis/Oral Medicine Clinic
- Attending Dentist Venice Oral Health Clinic

Marquette University

- Course Director
- Physical Evaluation
 - Developed and implemented a comprehensive didactic clinical course in physical diagnosis for dental students and graduate students in periodontics, pediatric dentistry, endodontics and orthodontics
- Internal Medicine
 - Developed and implemented a comprehensive course for dental students and graduate students in internal medicine
- Provided course to dental hygiene students in oral diagnosis/oral medicine
- Co-Director for Oral Diagnosis and Treatment Planning course
- Lecturer in Physical Evaluation and Treatment Planning at UCLA Dental Center
- Provided course in advanced-life support/emergency medicine for graduate students, Marquette University School of Dentistry and Zablocki VAMC, Wood, WI

UNIVERSITY COMMITTEES

Temple University

- University
 - President's Task Force to Develop a School of Public Health
 - Undergraduate Disciplinary Committee Chair Appointed by the President
 - Academic Planning
 - Middle States Accreditation Review
 - Graduate Program Directors
 - Graduate Board, Chair of Fellowship Committee
 - Graduate Appeals
 - Graduate/Professional Program Review, Chair Developed University wide program review policies and procedures for all graduate programs
- Dental School
 - Executive
 - Clinical Chairs
 - Graduate Education Chair
 - Continuing Education Chair
 - VA Dean's Committee
 - VA MC Delaware
 - Accreditation Self-Study Co-Chair
 - Clinic Fee

University of Pennsylvania

- Dental School Research Committee

Southern Illinois University

- University
 - Chancellor's Downstate Rural Health Care Task Force

BEST

- A cooperative effort in which SIUE professors assist first year educators in southwestern Illinois
 - Honorary Degrees and Distinguished Service Awards
 - Graduate Council
 - Graduate Program Review Committee
 - Graduate School Research Policy Committee
 - North Central Accreditation Contributing Committee on Capital, Physical Facilities and Space
 - Thesis Committee Graduate School - Speech Pathology
 - B. Real - Oral Sterognosis as it Relates to Stuttering
 - Board of Directors SIUE Faculty Club
- School of Dental Medicine
 - Academic Affairs Council
 - Planning Council
 - Chair - Academic Affairs Subcommittee
 - Curriculum - Voting
 - Student Progress and Awards - Ex Officio
 - Outcomes Assessment
 - Space Committee - Chair
 - Multidisciplinary Laboratory - Chair

Marquette University

- University
 - Academic Senate
 - Marquette University Committee on Liberal Arts
 - University Board of Graduate Studies
- Dental School
 - Ad Hoc Curriculum to Develop off Campus Clinical Experiences
 - Research Committee
 - Curriculum Committee
 - Chair, Ad Hoc Committee for Faculty Evaluation
 - Chair, Committee on Emergency Medical Care

RESEARCH GRANTS, AWARDS AND PROJECTS

- Efficacy of Benzocaine for Temporary Relief of Toothache, Cooper Laboratories, June, 1982, \$15,000 (Co-Principal Investigator)
- An Empirically Derived Oral Health Status Index for the Geriatric Patient, American Fund for Dental Health, April 2, 1985, \$2,000 (Principal Investigator)
- An Empirically Derived Oral Health Status Index for the Geriatric Patient Veterans Administration, Oct. 1984, \$2,000 (Co-Principal Investigator)
- Dental Health Services Research Fellowship Program, Robert Wood Johnson Foundation, Sept, 1983, through August, 1985, \$250,000 (Principal Investigator)
- Cost Effectiveness of Routine Comprehensive Laboratory Screening of Dental Patients, Southern Illinois University, July, 1990, \$1,200 (Principal Investigator)
- Enhancing Faculty Teaching Effectiveness, Southern Illinois University, December, 1990, \$9,000 (Principal Investigator)
- Problem Based Teaching, Faculty Development Fund Grant Illinois Board of Higher Education, September 1992, \$2,000 (Principal Investigator)
- Enhancing Teaching Effectiveness, Fund for Improvement of Postsecondary Education, U.S. Department of Education, \$267,000 Finalist
- The Head and Neck Examination: An Electronic Tutorial, Temple University On-Line-Learning Grant, \$9,000 (Principle Investigator)
- Dental Services for the Homeless, Southeastern Pennsylvania AHEC, \$4,500 (Co-Principle Investigator)
- Short-Term Training of Students in Health Professional Schools, National Institute of Dental Research, \$114,466 (Co-Principle Investigator)
- Effects of Muscle Exercise on Temporomandibular Joint Pain, Facial-Flex Corporation, \$5,000 (Co-Principle Investigator)
- Informed Consent in Research Involving Human Subjects, National Institutes of Health, \$450,000, finalist funding pending, (Co-Principle Investigator)
- Alveolar Bone Quantification by Phosphorus Stimulable Screen, G. Conover, National Institutes of Health, \$500,000 submitted (Co-Investigator)
- The Use of External Reviewers to Assess Clinical Competencies of AEGD Students, Temple University Faculty Incentive Fund, \$12,000 submitted, (Co-Principle Investigator)
- Dental Care for the Homeless, Southeastern PA AHEC, \$12,000 (Principal Investigator)
Socioeconomic Factors relating to Participation in Clinical Trials; submitted NIH Co-Investigator
Predictors of Failure in Professional Education; submitted to Temple University faculty research awards program
